A LEGACY OF PERFORMANCE.

For over 100 years, the Coleman® name has been synonymous with rugged reliability and world-renowned quality. Our line of air conditioners is no different. Since 1958, Coleman® HVAC has provided home comfort systems that stand the test of time. With design, engineering and assembly in the United States, you can count on our air conditioners to do the same. It's what has made Coleman® HVAC a preferred choice for homeowners who want a durable, low-maintenance solution that lives up to the Coleman® HVAC name.

LEGENDARY FEATURES: COLEMAN® LX SERIES CC17 AIR CONDITIONERS

EFFICIENT COMFORT

- **Two-stage compressor** provides quiet, efficient operation.
- **ENERGY STAR®** certified performance means greater energy efficiency.

SYSTEM FLEXIBILITY

- **Compact footprint** allows the unit to fit in tight spaces – without limiting performance, capacity or efficiency.
- **Humidity control** through two-stage operation enables longer run times compared to single-stage equipment.

TRUSTED QUALITY

- **Unmatched warranties** include a 90-day Labor Limited Warranty, 10-year Parts Limited Warranty and a 10-year Compressor Limited Warranty.
- **Design, engineering and assembly** in the United States allows us to closely monitor and improve processes that directly affect quality.

COMPLETE CONTROL, ANYWHERE YOU GO.

With the touch of a screen or the swipe of an app, you're in complete control of your home comfort with the Coleman® Hx™ Touch-screen Thermostat. As part of the LX Series system, the Hx™ thermostat provides local or smartphone-based remote control to LX Series furnaces, air handlers, heat pumps and air conditioners at the touch of a finger.

COMFORT TO FIT YOUR LIFE.

Coleman® HVAC has many options to best suit your home's requirement and your needs.
